1. In view of Senator Bridges' announcement that one of the primary purposes of his forthcoming trip abroad with Senator Symington would be to study the Communist infiltration of overseas plants which are active in offshore procurement, the DCI is studying the evidence at hand on this subject with a view toward the possibility of briefing the Senators prior to their departure.

2. The DCI met on 14 February with [REDACTED] 25X1A
[REDACTED] in order to develop 25X1A
the background information for the DCI to give the Vice President in connection with Senator Welker's current hearing looking into certain Czech alien matters. Note has been taken of the letter from James Carey, Secretary-Treasurer of the CIO, to the Vice President on this subject, with which letter this Agency has had no connection.
